

Recorded vote of members of the House of Representatives on HB 2248: The Flat Tax Veto Override

HB 2284: Providing an income tax rate of 5.25% for individuals, exempting all social security benefits from Kansas income tax, increasing the standard deduction by a cost-of-living adjustment, increasing the Kansas personal exemption, decreasing the privilege tax normal tax, establishing a 0% state rate for sales and use taxes for food and food ingredients on April 1, 2024, and increasing the extent of property tax exemption for residential property from the statewide school levy.

Governor Laura Kelly Vetoed HB 2284.

802 Position: Opposed HB 2284. While there is some good policy in this bill for Kansans such as the 0% tax on sales and use taxes for food beginning nine months earlier than already scheduled and exempting social security benefits from Kansas income tax, the flat tax of 5.25% does not substantially reduce the tax obligation of any but the wealthiest of Kansans. In three years, the state will see a \$1.6 billion dollar reeducation to the budget. This will impact funding for public schools, state agencies that protect the safety and welfare of all citizens, and the quality and safety of roads and bridges maintained by the state.

The House did not have enough votes to override the governor's veto. Because the House could not override, there is no need for the Senate to hold a vote.
